

# Mipa PROtect Raincoat

*Highly effective glass sealer*

**Mipa PROtect Raincoat** is a highly effective hydrophobic treatment for surfaces like e.g. glass or paint surfaces.

- durable, water-repellent effect
- stubborn stains (such as those of insects) can be removed easily
- prevents the formation of water spots and thus also limescale
- highly resistant to all climate conditions and to chemical stresses

Set:  
1x 50 ml PROtect Raincoat | 1x Micro fibre cloth | 2x Application pad

Item-No.: 26970 0000
