

Intended use

Mipa Linienmarkierer Profi is a fast-drying special paint for professional use. The excellent adhesion provides a durable and hard wearing line mark. Superior coverage and sharp edges can be achieved in conjunction with our line marking trolleys "Allround" and "Standard". Especially suitable for the marking and line marking of car parks, in the private sector as well as for safety markings in the industry.

Processing conditions

Substrates

Stone, concrete, etc.
